

HARRY'S CRYPTOGRAM

Add the number and the note value. Write the letter above each of the numbers below that matches your answer to figure out the cryptogram.

$\circ = 4$ $\text{♪} = 2$ $\text{♩} = 1$ $\xrightarrow{\text{EXAMPLE:}}$ $\begin{array}{r} 5 \\ + \text{♪}(1) \\ \hline 6 \end{array}$

4 + ♩ = T	2 + ♩ = E	4 + ♪ = A	♪ + ♪ = H	3 + ♪ = O
-----------------	-----------------	-----------------	-----------------	-----------------

5 + ♪ = L	6 + ♪ = K	7 + ♪ = S	8 + ♪ = I
-----------------	-----------------	-----------------	-----------------

Whole Note Harry is big and round and he can't see his feet.
That's because every chance he gets

Use your answers
to add the correct LETTER
above the numbers below.

ANSWER CLUE:

He can make a really tasty apple-pecan, pastrami and ham, strawberry jam,
cheese and truffle gourmet sandwich because ...
